### Licences

I have just spoken to Jacqui Monteiro of MSA. You need to take out your National licence in January, and also please take out the extended insurance of R250, 000 which will cover you in the event of an accident. Therefore your costs to get a licence will be as follows:-

GMC membership	P250.00 (then get confirmation letter from club)
Off Road Licence	R685.00 (you need a National licence to get AMU)
Insurance	R1373.00 plus 50% = R686.50 = R2059.50
Amount payable to MSA	<b>R2744.50</b>

Hopefully that is it as far as your expenses go for SAC as we hope to get sponsors for everything else. Just remember it is your insurance that is expensive but its worth it. Then you can participate in all SA National off roads if you so wish.

### Clothing

LJ is going to try and get clothing sorted out for us. The main colour will be the blue of the Botswana flag. He will also put on the clothing **SAC 2007**. If you are quick at getting your MSA licence and racing number for the year, he will put the numbers on the back of the race shirts. We are working on 50 caps, 30 Golf shirts (to wear to documentation, upon arrival), 15 pit shirts (to wear to prize giving), and 30 race shirts.

Its suggested that the next meeting be held on **Wednesday 17 January 2007 at the Boulevard at 1800. Don't be late or send your apologies!**
