Definite Sponsorships

- Mrs. De Wet and Tommy Thomson confirmed the weekend in Tuli Block as a raffle prize. Tommy working on tickets to be sold in books of P50.00 but tickets themselves must not exceed P2.00 (Gambling Act). People must buy the complete book for P50.00. Once we get the books, each member must try and help to sell this weekend.
- Tommy also confirmed the Impalas x 3 which we can sell to raise money

CLOTHING (thanks LJ, you seem to have this pretty much in hand)

Please note we must have the sponsorship money in hand by 10th February so that we can add the company logo to the racing shirts and pit shirts. It's not fair on LJ to have to rush this job. To put the logo on the shirts will cost a company P10, 000 and it will be on the pit shirts and the race shirts. We also need the company logo artwork. Cheques must be made payable to GMC, and I will note down all income and outgoings for the GMC committee and for yourselves. GMC will then pay for everything providing we have the funds and are not utilizing normal GMC funds.

We have increased the order as the prices are more than reasonable, Caps which are embroidered with the BW logo and your name and number for P40.00. (LJ leave some plain to sell to GMC members to support the team). Pit shirts will be P200.00 each, and Racing shirts will work out to around P60.00 each.

The P1, 000 that each rider donates will ensure he receives approximately P500.00 of team clothing. (Cap @ P40.00, golf shirt @ P80.00, pit shirt @ P200 and 3 racing

shirts @P60 each = P120.00). You are required to make out a cheque to GMC for your contribution to the team.

Cheques Received this evening are:-

| | | |
|-----------------|---------|----------|
| Rudolf de Wet | 1000.00 | 17/01/07 |
| Clive Fourie | 1000.00 | 17/01/07 |
| Hendrie Barwise | 1000.00 | 17/01/07 |

I will be chasing all of you up for your Cheques, so be warned.

FITNESS/MEDICAL

Anyone who needs a medical bag for racing, speak to Rene, he will contact me regarding the complete list of requirements.

Secondly for a fitness training programme, Rene will advise you as to what you need to do, eat and how to exercise. Please go and see him for advice. Some of us need to drop a few kgs and start going to gym!!

TRAVEL & ACCOMODATION

Wives and partners are more than welcome to travel with us if there is sufficient room on the bus. However, accommodation costs and or traveling separately to the team will be for your own expenses.

I will need to start making bookings for Namibia soon, so please advise me if you are traveling with your partner, what rooms you need etc. I intend to book at Arrebusch in Windhoek which comprises of self catering chalets, twin, triples and 2 bedroom chalets (need to know your friends well as you go through one room into the other!)

Please remember the next meeting is at the Boulevard on Wednesday 31 January 2007 at 19H00. Please all try to attend as things will need finalizing now.

Thanks & please note that I typing this at 1.30 in the morning, so I need brownie points!!
